## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Cane Bay High School (CBHS) was established in 2008 and has a student population of 1,114 ninth, tenth, and eleventh graders. The dedication of teachers and staff, commitment and support of the community, and academic and athletic achievements of the students have driven Cane Bay High School to unparalleled status in the district as well as the state. Recognitions, awards, and accomplishments in the arts include (but are not limited to) the following: All County, All Region, and All State Orchestra, Chorus, and Band; many successful drama performances; first marching band division championship; 2010 Piccolo Spoleto Rising Stars Participants; and Coastal Carolina Fair Young Art Contest Winners. Students also excelled in state DECA and FBLA competitions. In athletics, student teams earned honors at the regional and state levels.

Our continued vision is to challenge and empower students to be successful in a competitive world. The curriculum at CBHS includes Advanced Placement, Honors, College Preparatory, and Applied Technology courses designed to challenge and augment student proficiency in all areas. During the 2010-2011 school year, the curriculum will include English IV Advanced Placement, Teacher Cadet, dual-credit course in English through Trident Technical College, a wide array of elective courses, and more. Our first graduates, the Class of 2011, will explore opportunities and meet academic challenges that will launch them into successful careers and postsecondary education.

Through "High Schools That Work," a school improvement model, CBHS continues to embrace research-based best practice strategies and ideas. Employment of this model allows for common assessments in all courses; collaboration and teamwork among teachers, departments, and grade levels; standards-based instruction; and differentiated instruction.

CBHS has triumphed, as true champions, in every avenue of school life; this is evident through the numerous accomplishments and achievements of the school and community. As the incoming 2010-2011 principal, I look forward to embracing the spirit of victory in all endeavors for the sake of student success.

Dr. Lee A. Westberry, Principal  
Mr. Lee Larrew, SIC President
